Globalisation has transformed the seafarer labour market. As shipping companies have flagged vessels out to open registers, they have shifted from recruiting seafarers on a local hire, frequently permanent, basis to employing seafarers from developing countries on temporary contracts via third party crewing agencies.

Globalisation, Labour Market Transformation and Migrant ...

This article examines the claims that were living in a new, global, post-Fordist era. The claims of both globalization and post-Fordism are examined, as well as some of the implications for development. Both theses are questioned, and in particular it is argued that in some respects the two arguments contradict rather than complement each other.

Globalization, Post-Fordism and the Contemporary Context ...

As we move from Fordism to Post-Fordism and from Industrialism to Post-Industrialism, the new Market that prevails under Globalization implies many changes to the nature of work and organizations. This new Market dictates, or rather governs, the way corporations think and how workers are treated.

Effects of Globalization on Work and Organizations ... The language of Fordism and post-Fordism has entered lay discussion about the social and economic changes occurring in advanced capitalist societies.1 As it has become more widespread, however ...

The international container shipping industry is characterized by global markets for its products, infrastructure, financial framework and labor supply. ... This paper explores these tensions using the Fordist range of models and in particular assesses whether Post-Fordism ...

Container Shipping Policy and Models of Multi-Level Governance

Globalization is under attack, world trade slows down, and the weakest rings of this delicate and complex chain begin to break (the South Korean shipping line Hanjin has been the most evident example.) This is just a taste of the new world, with an asphyxiated growth, that lies ahead. The shipping industry is in pain.

The Contribution of Shipping to Globalization and its Deep ...
